Body Style:

Flange, type

Element Radiation Specification:

Noninfrared

Watt Density Rating:

100.0 per square inch single voltage

Maximum Wattage Rating In Watts:

4500.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

240.0 ac single voltage

Material:

Copper resistance wire

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
