Effective Heating Length:

11.375 inches

Watt Density Rating:

26.6 per square inch single voltage

Maximum Wattage Rating In Watts:

300.0 single voltage

Voltage In Volts And Current Type:

120.0 ac single voltage

Material:

Steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
