**End Application:**

Pointing/tracking power distribution, p/n 942-3410-01, mark ivb, defense meteorological satellite program

**Special Features:**

Heater, electronic equipment

**General Description:**

Contains heater (f050100c8), plug connector (701-07-0002), contact 3 (16-02-0115), tinned copper braid, insulation sleeving, splice

**Fsc Application Data:**

Miscellaneous heating equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
