**Overall Length:**

79.000 inches

**Overall Width:**

34.000 inches

**Product Name:**

Mediburn 30, portable medical waste incinerator

**Supplementary Features:**

Incinerates up to 30kg an hr; liner material-replaceable ceramics; dual chamber combustion and high exhaust temp in excess of 1000c (1832f); height-w stack-100in (254cm), w/o stack-82in (208cm); weight-2.440 lbs (1.107kg); suggested load vol-10.5 cu ft (0.30 cu/m) load; fuel and power consumption-electrical-variable, fuel-2-3 gal/hour (7-11 liters/hour)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T114-b
