Overall Length:
79.000 inches
Overall Width:
34.000 inches
Product Name:
Mediburn 30, portable medical waste incinerator
Supplementary Features:
Incinerates up to 30kg an hr; liner material-replaceable ceramics; dual chamber combustion and high exhaust temp in excess of 1000c
(1832f); height-w stack-100in (254cm), w/o stack-82in (208cm); weight-2.440 lbs (1.107kg); suggested load vol-10.5 cu ft (0.30 cu/m) load;
fuel and power consumption-electrical-variable, fuel-2-3 gal/hour (7-11 liters/hour)
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T114-b
