Overall Length:

79.000 inches

Overall Width:

34.000 inches

Product Name:

Mediburn 30, portable medical waste incinerator

Supplementary Features:

Incinerates up to 30kg an hr; liner material-replaceable ceramics; dual chamber combustion and high exhaust temp in excess of 1000c (1832f); height-w stack-100in (254cm), w/o stack-82in (208cm); weight-2.440 lbs (1.107kg); suggested load vol-10.5 cu ft (0.30 cu/m) load; fuel and power consumption-electrical-variable, fuel-2-3 gal/hour (7-11 liters/hour)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-b
