<b>Overall Length</b>	1:
24.0 inches	
Overall Width:	
24.0 inches	
Environmental	I Protection:
Chemical resist	ant
Fragility Facto	r:
Rugged	
Accessory Cor	mponents And Quantity:
1 6ft. Power cor	rd with choice of power plug
Wattage Rating	g:
2880.0 watts	
Product Name	:
Sr extra flexible	e composite heat curing blanket
Special Featur	res:
Item also provid	des moisture and radiation resistance; heating element laminated between 2 layers of non-reinforced silicone rubber which is
66 military thick	and density of 66 oz/yd(2237 grams/m; power density of 5 watts; dielectric strength of over 2000 volts
Color:	
Red	
Shelf Life:	
N/a	
Unit Of Measu	re:
Demilitarizatio	n:
No	
Fiig:	
A23900
