General Description:

Demineralizer assembly. Water assembly of tube assembly 1, protective cover 1, hose assembly 2, hose rack assembly 1, strainer assembly 1, storage cabinet assembly 1, housing assembly 2, door assembly 6, filler assembly 1, exhaust pipe assembly 1, container assembly 2, panel assembly 1, battery pack 2, skid platform 2, pumping unit 1, cartridge 2, tank 1, battery 1

Fsc Application Data:

Water purification equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
