Water Purification Chemical Solution Feeder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4610-01-435-3543

Overall Length:
24.500 inches
Overall Height:
28.000 inches
Overall Width:
8.500 inches
End Application:
Strategic sealift conversion ships class
Special Features:
0.750 in. lpc inlet/outlet connections
Material:
Steel and stainless steel and plastic
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
No Fiig:
