## NSN 4610-01-460-3334

Ion Exchange Water Demineralizer Cartridge - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4610-01-460-3334

End Application:
Easypure system
Special Features:
Part of barnstead easypure compact deionization systems; cartridge characteristics: organic-free resin (combo of carbon/ultrapure
mixed-bed resin); use in final position when toc of <10ppb and high resistivity are required for deionization, distillation or reverse osmosis
feed
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T269-b
