Overall Length:

7.500 inches

Overall Height:

25.500 inches

Overall Width:

10.500 inches

End Application:

Deionizer

Features Provided:

Cartridge

Maximum Operating Pressure:

100.0 pounds per square inch

Voltage In Volts And Current Type:

120.0 ac

Product Name:

Deionizer, single

Special Features:

Unit is a mega-pure d1 single cartridge deionizer-use p/n d400499 replacement cartridge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
