Overall Length:

48.000 inches

Overall Height:

62.250 inches

Overall Width:

21.000 inches

Voltage In Volts And Current Type:

440.0 ac

Product Name:

Recirculating brominator

Special Features:

flow 15 gpm; 5 hp; water connections 1 in. Inlet and outlet

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
