**Potable Water Capacity:**

1.8 liters per minute

**Product Name:**

Waterpro ps/hplc polishing station with dispensing valve

**Voltage In Volts:**

230.0

**Special Features:**

31.1 in. X 7.7 in. X 28.9 in.; 4 amps, international; purification method by carbon filtration, deionization, organic absorption, ultraviolet exposure

**Frequency In Hertz:**

50.0

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T227-c
