Current Type:

Ac

Prime Mover Type:

Electric motor

Filter Type:

Gravity

Potable Water Capacity:

1.5 liters per minute

Feed Control Type:

Automatic

Manufacturer Name:

Barnstead international

Manufacturer Identifying Number:

D11931

Product Name:

Nanopure diamond ultrapure water systems

Voltage In Volts:

240.0

Special Features:

Inlet conn i 3/8 inch inlet tubing, supplied; inlet temp fc 40 deg-104 degrees f; maximum flow rates l min gravity feed 1.5; maximum inlet pressure 100 psig; o/a dimensions in inches 16.9 d, 19.5 h, 13.4 w; shipping weight lk 45, 20.4; sub product group id 350; volts 90-240 vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T227-c
