Water Purification Filter Body - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4610-01-540-5417

Body Outside Diameter:
165.0 millimeters
Body Height:
1221.0 millimeters
Distance From Bottom Of Body To Center Of Inlet:
933.0 major inches
Special Features:
Cartridge can fit 5 filter cartridges of 30 in. Lg.; cover screwed onto the housing sealed with an fpm o-ring; 1 2 in. Ansi/din flange inlet
ocated on the upper side; 2 win. Ansin/din flange outlet located on ea. Side of bottom; max. Operating conditions 10 bar, 20 deg. C; 5/8
n. Npt vent
Material:
Plastic polypropylene body
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Filg:
A24000
