Body Outside Diameter:

165.0 millimeters

Body Height:

1221.0 millimeters

Distance From Bottom Of Body To Center Of Inlet:

933.0 major inches

Special Features:

Cartridge can fit 5 filter cartridges of 30 in. Lg.; cover screwed onto the housing sealed with an fpm o-ring; 1 2 in. Ansi/din flange inlet located on the upper side; 2 win. Ansin/din flange outlet located on ea. Side of bottom; max. Operating conditions 10 bar, 20 deg. C; 5/8 in. Npt vent

Material:

Plastic polypropylene body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
