Product Name:

Direct-q 3 uv water purification system

Special Features:

Voltage: 100v/50hz, 120v/60hz, 230v/50-60hz; depth: 42 cm; height: 54 cm; width: 29 cm; operating weight: 18.2 kg; filter pore size: 0.22; contaminant rejection, inoic 94%; contaminant rejection, particulate: 99%; contaminant rejection, microbiological: 99%

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T227-c
