Overall Diameter:

0.50 inches

End Application:

Mars tanker

Product Name:

Pumping unit, sewage

Special Features:

Matt. Also buna a & n, maximum flow rate 16.6 gpm

Material:

Aluminum and stainless steel

Reference Number Differentiating Characteristics:

As differentiated by c/w pc2 air unit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
