Metallic Bent Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-00-997-3606

Cross Sectional Shape:
Plain round
Wall Thickness:
0.049 inches
First End Style:
Flange
Diameter:
4.000 inches
Second End Relationship With First End:
Identical
Construction:
Seamless
Material:
Aluminum alloy
Material Specification:
Ww-t-700/4 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A004a0
