**End Application:**

Used in propulsion systems inc. Propeller hub 378 ft whhec coast guard vessels

**Construction:**

Seamless

**Measuring Method And Length:**

112.000 inches specific

**Special Features:**

Outside diameter is 2 1/2 in.

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A004a0
