Mating End Quantity:

2 single end

Tubing Material:

Copper alloy

Design Form:

Prebent

Special Features:

Used on 4th stage pipe; air compressor model 13n145; trident submarine

Material:

Copper alloy single end

Material:

Copper alloy single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
