## NSN 4710-01-228-1010

Metallic Bent Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-01-228-1010

Cross Sectional Shape:
Plain round
Wall Thickness:
0.063 inches
First End Style:
Flange
First End Flange Outside Diameter:
5.250 inches
Second End Style:
Plain
Diameter:
4.000 inches
Second End Relationship With First End:
Not identical
Construction:
Seamless
Material:
Aluminum alloy
Material Specification:
Ww-t-700/4 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A004a0
