**Criticality Code Justification:**

Zzzw

**Special Features:**

Size: 0.625 inch od, ord thk: 0.049 inch, material: 304 sst

**Departure From Cited Document:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A004a0

**Mil-std (military Standard):**

Mil-t-23226 spec.
