**Cross Sectional Shape:**

Plain round

**First End Style:**

Plain

**Diameter:**

0.375 inches

**End Application:**

3930-01-330-8907, fork lift truck

**Second End Relationship With First End:**

Identical

**Construction:**

Seamless

**Material:**

Steel comp 304

**Material Specification:**

Astm a269, grade t+304 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
