End Application:

Weapons code ddf, aircraft, airlifter c-17a

Tubing Material:

Carbon fiber

Measuring Method And Length:

26.360 inches

Product Name:

Adapter & tube assembly

Special Features:

Tubes are filament wound carbon fiber with epoxy resin binder; end adapter castings are aluminum alloy, mil-c-11866, alloy 356.0 cond t6; includes drain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541y0
