Wall Thickness:

0.028 inches

End Application:

F18 e/f

Tubing Material:

Steel, mil-t-8808, comp 347

Design Form:

Prebent

Tube Outside Diameter:

0.500 inches

Product Name:

Tube assembly, oil scavenge

Special Features:

Next assembly 3615872: silver braze per ams2664

Special Test Features:

Pressure at 55 to 65 psig per ems5210 type v, class a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
