Wall Thickness:

0.035 inches

End Application:

Sh-2g helicopter

Tubing Material:

Aluminum alloy, 5052

Tube Outside Diameter:

1.250 inches

Product Name:

Anti ice lines

Special Features:

Material specification ams 4071; fitting one pn mfb69633a125, fitting two pn f33112a

Fsc Application Data:

Nha k870305

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
