Overall Length:

0.500 inches

End Application:

Detector, metal flaw, electronic; laser detecting set

Design Form:

Straight

Product Name:

Tube assembly, evacuation

Special Features:

One end has a machine screw p/n c5072587 and the other end is plain no fitting, the evacuation tube is p/n a3177588

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T383-d
