Cross Sectional Shape:

Plain round

First End Style:

Plain

End Application:

Ship; ssn, valve servo

Second End Relationship With First End:

Identical

Product Name:

Tubing

Special Features:

Aluminum alloy 2024, t3, astm b210

Heat Treatment:

T-3 solution heat treated and cold worked

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
