Tube-igv Anti-icing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-01-492-2022

End Application:
Used on aircraft engine
Product Name:
Tube, manifold-anti-icing, igv
Special Features:
Hydraulic pressure test prior to final flourescent penetrant inspection at 100 psig for 1 minute
Material:
Steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:

No
