Overall Length:

600.000 inches

End Application:

Deep stare

Product Name:

Cooling gas lin (cryotiger to tm i/f panel)

Special Features:

Pair of 50 feet copper gas lines with straight female aeroquip fittings on both ends and pre-charged with 225 psi of pt-14 refrigerant

Material:

Copper single end

Material:

Copper single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
