Metal Tube Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-01-504-4856

Overall Length:
600.000 inches
End Application:
Deep stare
Product Name:
Cooling gas lin (cryotiger to tm i/f panel)
Special Features:
Pair of 50 feet copper gas lines with straight female aeroquip fittings on both ends and pre-charged with 225 psi of pt-14 refrigerant
Material:
Copper single end
Material:
Copper single end
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T383-d
