**Overall Length:**

600.000 inches

**End Application:**

Deep stare

**Product Name:**

Cooling gas lin (cryotiger to tm i/f panel)

**Special Features:**

Pair of 50 feet copper gas lines with straight female aeroquip fittings on both ends and pre-charged with 225 psi of pt-14 refrigerant

**Material:**

Copper single end

**Material:**

Copper single end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T383-d
