End Application:

2420-66-148-7692, hmee (high mobility engineer excavator)

Design Form:

Prebent

Product Name:

Tube, injector fuel supply

Special Features:

Carries high pressure diesel fuel from fuel injector pump to fuel injector; used on 6bta5.9 cummins engine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
