End Application:
2420-66-148-7692, hmee (high mobility engineer excavator)
Design Form:
Prebent
Product Name:
Tube, injector fuel supply
Special Features:
Carries high pressure diesel fuel from fuel injector pump to fuel injector; used on 6bta5.9 cummins engine
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiia:
