**Mating End Quantity:**

1 second end

**End Application:**

Ice maker

**Tubing Material:**

Brass

**End Connection Style:**

Unthreaded external second end

**Design Form:**

Prebent

**Special Features:**

1st end - nut spring loaded, has non standard threads; tube is prebent 90 degrees

**Material:**

Brass single end

**Material:**

Copper alloy single end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T383-d
