Wall Thickness:

0.037 inches

End Application:

Oper compt piping install

Tubing Material:

Titanium

Product Name:

Tub asy var bal p48

Special Features:

Drawing name is tubing assembly, variable ballast, p48, ops cpt; date of drawing is 10/20/1997; contract number is n000024-c-6200; 3000 identification labels are included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T383-d
