**Wall Thickness:**

0.052 inches

**End Application:**

Midbody external piping installation

**Tubing Material:**

Titanium

**Tube Outside Diameter:**

0.750 inches

**Product Name:**

Inavy name is tu ay hydr sys p90

**Special Features:**

Interpret drawing in accordance with mil-standard 100e; document title is tubing assembly, hydraulic system, p60 midbody; iges database shall be used in tube manufacture

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T383-d
