Wall Thickness:

0.052 inches

End Application:

Midbody external piping installation

Tubing Material:

Titanium

Tube Outside Diameter:

0.750 inches

Product Name:

Inavy name is tu ay hydr sys p90

Special Features:

Interpret drawing in accordance with mil-standard 100e; document title is tubing assembly, hydraulic system, p60 midbody; iges database shall be used in tube manufacture

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
