Overall Length:

17.540 inches

End Application:

F-18 aircraft

Product Name:

Tube assembly-metal-aileron pressure, rh, y144

Special Features:

Test pressure 12000psig, bend block rad 1.125

Color:

Blue and yellow

Material:

Titanium alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
