Special Features:

Diameter 0.625 inches x .035 wallthickness, 50 inches long alum alloy 5052-0 round seamless tube

Material:

Aluminum alloy 5052

Material Specification:

Ww-t700/40 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
