End Application:

E-8 joint stars aircraft

Tubing Material:

Steel, mil-t-8808, comp 321

Tube Outside Diameter:

0.625 inches

Product Name:

Adapter assembly.Flareless compound elbow, tube to tube with swivel nut

Special Features:

31.668" length after bends, fitting ends per ms33514-10, 7/8-14unf-3a threads

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
