Wall Thickness:

0.035 inches

End Application:

Valve assembly part number 82d38-6

Tubing Material:

Steel, corrosion resisting

Tube Outside Diameter:

0.250 inches

Product Name:

Tube assembly

Special Features:

Flared per ms33584 type both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
