Thread Direction:

Right-hand all ends

Mating End Quantity:

2 all ends

End Application:

P-3c aircraft

End Connection Style:

Swivel nut, flared all ends

Design Form:

Prebent

Connection Specificational Design:

Union all ends

Product Name:

Fire extinguisher tube assembly

Special Features:

Part of aircraft fire extinguisher system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T383-d
