Mating End Quantity:

1 single end

End Application:

Gpc1-10000-af, gas pressure controller, nsn: 6685-01-529-6990.

Tubing Material:

Steel, stainless

End Connection Style:

Butt weld single end

Tube Outside Diameter:

0.125 inches

Product Name:

Tube, assembly, bhd, dh500

Special Features:

From silver braze end to conical tip end is 278mm long.

Material:

Steel, stainless all ends

Material:

Stainless steel all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T383-d
