## NSN 4710-01-574-8191

Metallic Bent Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-01-574-8191

Cross Sectional Shape:
Plain round
Wall Thickness:
0.065 inches
First End Style:
Outside beaded
Second End Style:
Outside beaded
Diameter:
1.000 inches
End Application:
2320-01-549-8577
Second End Relationship With First End:
Identical
Product Name:
Tube, fill
Material:
Steel stainless
Material Specification:
Astm a269 grade t+304 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A004a0
