Overall Length:

11.500 inches

Overall Height:

3.500 inches

Overall Width:

3.500 inches

End Application:

U-2 ground support equipment

Product Name:

Tube, square steel - tube structural

Special Features:

Wall thickness 0.190 inch

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
