**End Application:**

F-15e

**Product Name:**

Tank no.3a upper pcv and sensing metal tube assembly

**Special Features:**

Consist of 2 nut, 2 sleeve; 0.375 od by 0.020 by 4.00

**Material:**

Aluminum alloy 5052

**Material Specification:**

Ww-t-700/4 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A004a0

**Mil-std (military Standard):**

spec.
