End Application:

F-15e

Product Name:

Tank no.3a upper pcv and sensing metal tube assembly

Special Features:

Consist of 2 nut, 2 sleeve; 0.375 od by 0.020 by 4.00

Material:

Aluminum alloy 5052

Material Specification:

Ww-t-700/4 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A004a0

Mil-std (military Standard):

spec.
