Cross Sectional Shape:

Plain round

End Application:

6115-01-561-7788; generator set, diesel engine

Second End Relationship With First End:

Not identical

Product Name:

Tube, lube oil suction

Special Features:

Nha engine serial number 46955092

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
